"We make a difference"

Who are the Friends?

The Friends organisation was founded in 1948 and is a registered charity committed to supporting the hospital in delivering excellent standards of treatment and care. We also provide a number of services throughout the local community.

How do we make a difference?

The hospital and local community benefit in many ways from our support, below are just a few:

- Representing the interests of local people in any development of the services and amenities of the hospital
- Providing additional amenities and comforts for patients and staff
- Our volunteers are able to assist staff on the wards with non medical matters such as serving teas and looking after flowers
- An extensive transport service to medical appointments *
- A minibus service for shopping & outings *
- Assisting with shopping, dog walking *
- Supporting carers *
- Befriending *
- Funding subscriptions to the RNIB Talking Book Service *
- Supporting local health related groups with volunteer support or financial grants

* Services provided by volunteers for patients referred to us by their GP.

How are these services funded?

Our services are funded by our two very successful charity shops, regular fundraising events (see our website for upcoming events), membership subscriptions, donations, legacies....

Legacies

A substantial amount of our funding comes from bequests and legacies. If you are considering a gift to the Friends in your will please consult your solicitor who will be able to guide you.

Our Shops

Our two shops are run by dedicated teams of volunteers. We are always grateful to receive donations of clothing, bric-a-brac, books, DVDs, jewellery, electrical items...

Blandford Forum

Barnack Walk, Blandford Forum

Tel: 01258 458390

Opening hours:

Monday – Saturday 10am – 4pm

Sturminster Newton

Innes Court, Station Road

Tel: 01258 471245
